

Reference

PLEXIGLAS®

Fruit basket

Market segment

Home and garden

Product

PLEXIGLAS® XT Clear 0A000, 8mm thick

Fabricator/Designer

Titan-Multiplast s.r.o.
Jablonecka 1379
CZ-46851 Smrzovka

Selection criteria

PLEXIGLAS® was chosen because it is very easy to form and the individual elements only need to be clipped together for final assembly.

Description of application

PLEXIGLAS® was laser-cut and clipped together. The material's transparency underlines the clean and elegant shape.
