PLEXIGLAS®

Wall decor made of PLEXIGLAS® Hi-Gloss

Market segment

Home and garden

Product

PLEXIGLAS® Hi-Gloss, Red and Anthracite, thickness 6 mm

Fabricator / Designer

LIVING ART, Hamburg
www.livingart.eu

Selection criteria

- hi-gloss, nonporous surface
- easy to handle and to process
- jointless and easy to care
- hard coated surface available

Description of the application

Wall decor made of PLEXIGLAS® Hi-Gloss. Due to the jointless and nonporous surface the rear wall is easy to care and remains with a high-gloss. The sheets are available with a hard coated surface as well.
